

IN THE DRAWINGS

Please substitute the attached replacement drawing sheets 1 and 2 for drawing sheets 1 and 2 presently on file.

In the replacement drawing sheets, the German "Figur" has been replaced with "Figure".

Please cancel the drawings previously filed in this application.

REMARKS

While this response is being filed subsequent to the payment of the Issue Fee, it is limited to the correction of the informalities noted herein. A copy of the Notice from the USPTO is attached hereto.

Applicant herewith submits two (2) replacement sheets of drawings for filing in the above-identified U.S. patent application. These replacement sheets do not contain substantive changes. Instead, in Figs. 1 and 2 the Figure labels have been changed to English as requested by the Office of Patent Publication. Annotated sheets have not been presented with these replacement sheets, as they are not believed to be necessary for explanation of the replacement sheets. No new matter is added by these replacement drawings.

It is therefore believed that this application is in condition for issue and thus issuance of the application is respectfully requested.

Respectfully submitted,

Mark A. Hixon
